

Welcome Your Friends and Family Back into the Pool!

Patent-Pending "Pool Feet" enable the product to be used on vinyl lined, fiberglass or concrete/tile pool surfaces. The set is designed to be used comfortably submerged at a standard 36" pool depth. Extension kits are available to convert the set for pool depths of 42 or 48 inches.

Turn Your Pool into Your Entertainment Center! Relax!

POOLPARTY™ delivers all around pool comfort and is also perfect for your patio, gazebo, or beach front.

POOLPARTY™ patent-pending foot-pad technology softens the contact between the furniture and vinyl or other pool floor surfaces. The furniture is designed to fill with water instantly. It is not affixed to the pool floor, and can be placed into the pool or removed with a minimum of effort!

With proper care **POOLPARTY™** patio furniture should provide enjoyment and comfort for years to come!

Protection Guarantee

PoolParty has such confidence in our product that we guarantee that our product, when used exclusively with our Patent-Pending Foot-Pads, and according to the manufacturers' specifications, is designed not to damage your pool, or pool liner, or we will repair it, or replace the liner at our cost, subject of course to the Pool Manufacturer useful life or Liner Warrantees.

This Product has been tested in many adverse conditions. The Foot-Pads have been designed to be placed and present at every contact point between the PoolParty Furniture and the floor of your pool. The Patented Foot-Pads are designed to limit the pressure applied to the surface area of the pool. The Foot-Pads must be installed and present at all times the PoolParty set is in the water. The pads are required to be on the set at all times!

The PoolParty has been designed to significantly increase the enjoyment of your pool, by also providing you peace of mind; we believe you can fully enjoy our product. The moment you place the PoolParty in the water, you will understand our faith in this product. (See Manufacturers' Warranty).

Care Instructions

To best prolong the use and beauty of your PoolParty Patio Set, please follow these common sense precautions:

Examine the foot-pads on a regular basis to see that they do not pick up rocks or other debris that might come in contact with your pool floor.

Maintenance:

Remove the PoolParty from the water at the end of use, and lightly rinse to remove any pool chemicals or chlorine from the furniture. Store in protected or out of the weather areas or cover during extended periods of non-use (i.e., winter and extended vacations).

Prolonged Water Exposure and Damage:

The PoolParty is designed to be used in the water. However, prolonged submersion (weeks or months at a time) will result in damage to the painted surface areas of the furniture, i.e., blistering and chipping. While the powder-coated surface is extremely resistant to weather and water damage, like all metal surfaces, it is impervious and cannot sustain itself against surface damage due to prolonged submersion. **Prolonged exposure to chlorine and salt will ultimately damage the painted surface, and void the warranty! You wouldn't park your car in the ocean, please don't park your PoolParty Set in your pool!**

Please remove it from the water following periods of use, rinse it off, let it dry out and give it a rest. You may even want to apply a coat of wax occasionally to help seal the paint. Give your set a little TLC and it should give you years of enjoyment!

Warning: PoolParty is not designed specifically for above ground pools, or pools with expressly sand bottoms, and the manufacturer will not be held liable for puncture or damage to those surfaces. It is only and fully warranted to be used in swimming pools with hard bottom-concrete and /or tile floors, pools built in conjunction with a liner, sealer on concrete-tile surfaces, and/or fiberglass pools.

IMPORTANT - Parents should monitor children's play carefully in the water, the equipment was designed for adult use. Also, the furniture is not attached to the pool floor, no diving from or onto the equipment should be allowed. POOLPARTY sets are not diving platforms!

Warranty Information

POOLPARTY, Inc. products are warranted against factory defects in material and workmanship for a period of 2 years, unless otherwise noted, from the date of purchase or receipt as a gift. During the warranty period, POOLPARTY, Inc. will repair or, at its option, replace at no cost to you: parts, labor, and/or materials to replace damaged furniture or return transportation provided the unit is returned, shipped prepaid to POOLPARTY, Inc., 1777 Oakdale Avenue E., West St. Paul, MN 55118. This warranty does not apply if the product has been damaged by accident or misuse, or as a result of service or modification by other than factory trained personnel.

Except as otherwise expressly stated in the previous paragraph, the COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER MATTER WITH RESPECT TO THIS PRODUCT. Company shall not be liable for, and purchaser assumes responsibility for, any or all personal injury and property damage resulting from the handling, possession or use of this product by Purchaser or others who obtain it through purchaser.
